4 Snohomish County, Washington

5  
6 AMENDED ORDINANCE NO. 15-009

7  
8 RELATING TO GROWTH MANAGEMENT, REVISING REGULATIONS FOR  
9 MARIJUANA BUSINESSES AND AMENDING SECTIONS 30.22.110 AND  
10 30.22.130 OF THE SNOHOMISH COUNTY CODE  
11

12 WHEREAS, chapter 69.51A RCW provides that qualifying patients or their  
13 designated care providers may create and participate in collective gardens to produce,  
14 process, transport, and deliver cannabis for medical use; and  
15

16 WHEREAS, chapter 69.50 RCW regulates production, processing, and retail  
17 sales of marijuana; and  
18

19 WHEREAS, this ordinance does not address the legality of the conduct  
20 associated with marijuana and should not be construed as approval of such uses or  
21 waiver of any applicable county, state, or federal laws; and  
22

23 WHEREAS, the Growth Management Act, Chapter 36.70A RCW (GMA), requires  
24 Snohomish County ("County") to regulate land use and development within the County's  
25 jurisdiction; and  
26

27 WHEREAS, the County Council finds a legitimate governmental interest exists in  
28 regulating the location of marijuana businesses in unincorporated Snohomish County;  
29 and  
30

31 WHEREAS, the County Council has determined that the code amendments  
32 contained in this ordinance promote a county purpose as established under RCW  
33 36.70A.130 and Chapter 30.73 SCC; and  
34

35 WHEREAS, the Snohomish County Planning Commission ("Planning  
36 Commission") held a briefing on November 18, 2014, concerning the code amendments  
37 contained in this ordinance; and  
38

39 WHEREAS, the Planning Commission held a public hearing on December 16  
40 and 17, 2014, to receive public testimony concerning the code amendments contained  
41 in this ordinance; and  
42

43 WHEREAS, at the conclusion of the Planning Commission's public hearing, the  
44 Planning Commission voted to recommend a set of recommended policy changes  
45 different from the original ordinance, as set forth in its recommendation letter dated  
46 January 13, 2015; and  
47

1 WHEREAS, on March 4, 2015, and continued to March 25, 2015, April 15, 2015,  
2 and May 6, 2015, the County Council held a public hearing after proper notice, and  
3 considered public comments and the entire record related to the code amendments  
4 contained in this ordinance; and  
5

6 WHEREAS, following the public hearing, the County Council deliberated on the  
7 code amendments contained in this ordinance;  
8

9 NOW, THEREFORE, BE IT ORDAINED:  
10

11 Section 1. The County Council adopts the following findings in support of this  
12 ordinance:  
13

14 A. The foregoing recitals are adopted as findings as if set forth in full herein.  
15

16 B. This proposal is consistent with the following goals, objectives and policies  
17 contained in the County's GMA Comprehensive Plan:  
18

19 1. Objective LU 2.E "Provide for reasonable flexibility in land use regulation and  
20 planned mixing of uses, where appropriate, while maintaining adequate  
21 protection for existing neighborhoods."  
22

23 2. Goal LU 6 "Protect and enhance the character, quality, and identity of rural  
24 areas."  
25

26 3. Goal HO 2 "Ensure the vitality and character of existing residential  
27 neighborhoods."  
28

29 4. Objective ED 1.A "Snohomish County shall endeavor to provide a good  
30 quality of life for residents and businesses – recognizing that business can  
31 thrive only in a healthy community."  
32

33 C. Procedural requirements.  
34

35 1. This ordinance is consistent with state law and chapter 30.73 SCC.  
36

37 2. State Environmental Policy Act, Chapter 43.21C RCW ("SEPA"),  
38 requirements with respect to this non-project action have been satisfied through  
39 the completion of an environmental checklist and the issuance of a determination  
40 of non-significance on January 15, 2015.  
41

42 3. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance  
43 was transmitted to the Washington State Department of Commerce for  
44 distribution to state agencies on January 2, 2015.  
45

46 4. The public participation process used in the adoption of this ordinance has  
47 complied with all applicable requirements of the GMA and the SCC.  
48

- 1 5. Based on public testimony and written comments at the hearings on March 4  
2 and April 15, 2015, the County Council considered changes to some of the  
3 amendments that were available for review and comment prior to the public  
4 hearing. RCW 36.70A.035(2)(b)(ii) allows an amendment to be considered  
5 after the opportunity for public review and comment has passed when the  
6 proposed change is within the scope of the alternatives available for public  
7 comment. RCW 36.70A.035(2)(b)(iii) allows an amendment to be considered  
8 after the opportunity for public review and comment has passed when the  
9 proposed change corrects typographical errors, corrects cross-references,  
10 makes address or name changes, or clarifies language of a proposed  
11 ordinance or resolution without changing its effect. All amendments adopted  
12 by the County Council that were not available for review and comment prior to  
13 the public hearing satisfy one of these criteria for consideration in RCW  
14 36.70A.035(2)(b). The scope of alternatives available for public comment in  
15 advance of the hearing included prohibiting marijuana production and  
16 processing in rural areas and allowing it with some conditions. The final  
17 changes to amendments adopted by the County Council based on public  
18 review and comment fall within that range.  
19
- 20 6. As required by RCW 36.70A.370, the Washington State Attorney General last  
21 issued an advisory memorandum in December of 2006 entitled "Advisory  
22 Memorandum: Avoiding Unconstitutional Takings of Private Property" to help  
23 local governments avoid the unconstitutional taking of private property. The  
24 process outlined in the State Attorney General's 2006 advisory memorandum  
25 was used by the County in objectively evaluating the regulatory changes  
26 proposed by this ordinance.  
27

28 D. This ordinance is consistent with the record.  
29

- 30 1. This ordinance amends the regulations adopted in Amended Ordinance No.  
31 13-086. The findings, conclusions, and legislative record of that Ordinance,  
32 along with all of the new information, public input, and experience gained from  
33 the first year of the new I-502 marijuana industry and an additional year of the  
34 medical marijuana industry are part of the record that supports the revised  
35 regulations in this ordinance.  
36
- 37 2. Most of the provisions of Amended Ordinance No. 13-086 are unchanged by  
38 this ordinance. Marijuana businesses continue to be allowed in most of the  
39 zones where they have ever been allowed.  
40
- 41 3. The siting of marijuana production and processing facilities in the Rural 5-acre  
42 (R-5) zone has generated significant citizen concerns about the compatibility  
43 of such facilities with the existing rural character of the area. Additional  
44 regulations are necessary to protect rural communities.  
45
- 46 4. The number of medical marijuana collective gardens in the Clearview area  
47 has increased recently to a level that has generated significant citizen  
48 concerns about the impact that so many marijuana businesses can have on a

community. Any further increase in the concentration of marijuana businesses, including licensed retailers, in that area would exacerbate the problem. Additional regulations are necessary to reduce potential future impacts of overconcentration of marijuana businesses.

5. Marijuana businesses licensed by the state under I-502 are prohibited from locating within 1,000 feet of sensitive uses such as schools and parks. Medical marijuana businesses are not subject to any state licensing requirements prohibiting them within 1,000 feet of those sensitive uses. The impacts of medical marijuana businesses near schools, parks, and other sensitive uses are similar to the impacts of I-502 marijuana businesses in those areas. Since the state does not address the impacts of medical marijuana businesses near sensitive uses, additional local regulations are required to do that.
6. Section 8 amends SCC 30.22.110 to make marijuana processing and marijuana production prohibited uses in the R-5 zone until a future time when the impacts of these new land uses are better understood. Marijuana processing and marijuana production continue to remain permitted uses in the following urban, rural and resource zones: Industrial Park, Business Park, Light Industrial, Heavy Industrial, Agricultural 10 and Rural Industrial.
7. Section 8 also amends SCC 30.22.110 to make marijuana retail and marijuana collective garden dispensaries or access points a prohibited use in the CRC zone. Marijuana retail and collective garden dispensaries or access points are similar to retail uses and liquor stores and continue to remain permitted uses in the following urban and rural zones: Neighborhood Business, Planned Community Business, Commercial Business, General Commercial, Business Park, Light Industrial, Heavy Industrial, Urban Center and Rural Business.
8. Section 8 also amends SCC 30.22.110 to make marijuana collective gardens a prohibited use in the CRC zone. Marijuana collective gardens continue to remain a permitted use in the following urban and rural zones: Industrial Park, Business Park, Light Industrial, Heavy Industrial and Rural Industrial.
9. Section 9 amends SCC 30.23.130 to clarify that marijuana uses in the A-10 zone are subject to the same regulations as agricultural uses in the A-10 zone except as specifically provided by Title 30 and state law. Consistent with WAC 314-55-077, marijuana production includes producing, harvesting, trimming, drying, curing, and packaging marijuana into lots for sale at wholesale, and it is allowed indoors and outdoors, including in nonrigid greenhouses and other structures.
10. In June of 2013, the Tulalip Tribes and the County adopted a Memorandum of Understanding aimed at improving land use coordination and cooperative problem-solving.

- 1 (a) The main objectives of the coordinated land use planning process are  
2 to reduce conflicts between the governments in land use policies,  
3 zoning and processes and achieve Comprehensive Plan alignment.  
4 (b) In honor of the County's government to government relationship with  
5 the Tribes and considering the progress being made toward plan  
6 alignment, the County does not wish to create any new land use  
7 conflicts.  
8 (c) The Tulalip Tribes have publicly stated that marijuana is illegal on the  
9 Tulalip Indian Reservation, without exception.  
10 (d) Therefore, the County prohibits marijuana-related facilities on all land  
11 subject to County land use regulations lying within the exterior  
12 boundaries of the Tulalip Indian Reservation.  
13

14 Section 2. The County Council makes the following conclusions:  
15

- 16 A. The proposal is consistent with the goals, objectives and policies of the County's  
17 GMA Comprehensive Plan.  
18  
19 B. The proposal is consistent with Washington State law and the Snohomish  
20 County Code.  
21  
22 C. The County has complied with all SEPA requirements in respect to this non-  
23 project action.  
24  
25 D. The regulations proposed by this ordinance do not result in an unconstitutional  
26 taking of private property for a public purpose.  
27  
28 E. This ordinance is necessary to prevent marijuana facilities from locating in areas  
29 where they would be detrimental to the public health, safety and welfare.  
30

31 Section 3. The County Council bases its findings and conclusions on the entire  
32 record of the County Council, including all testimony and exhibits. Any finding which  
33 should be deemed a conclusion, and any conclusion which should be deemed a finding,  
34 is hereby adopted as such.  
35

36 Section 4. Emergency Ordinance No. 14-086, adopted on October 1, 2014, is  
37 repealed.  
38

39 Section 5. Emergency Ordinance No. 14-087, adopted on September 29, 2014,  
40 is repealed.  
41

42 Section 6. Ordinance No. 15-012, adopted on March 4, 2015, is repealed.  
43

44 Section 7. Ordinance No. 15-013, adopted on March 4, 2015, is repealed.  
45

46 Section 8. Snohomish County Code Section 30.22.110, last amended by  
47 Amended Ordinance No. 15-017 on May 6, 2015, is amended to read:
